PALO ALTO COUNTY, IOWA
POSITION DESCRIPTION

POSITION: Equipment Operator

IMMEDIATE SUPERVISOR: District Foreman

DEPARTMENT: Secondary Roads

FLSA Status: Non-exempt

DATE: 10/13/2022

DESCRIPTION OF THE JOB:

Perform tasks, as an individual or part of a crew, by operating motorized equipment such as dump trucks and motor graders, tile/culvert repair, concrete crew, as well using hand tools and other maintenance and construction materials, to repair and maintain the secondary road system of Palo Alto County. Employee is able to respond to on-call situations, reliable, and able to follow directions.

ESSENTIAL JOB FUNCTIONS:

Palo Alto County reserves the right to change or reassign job duties or combine job positions at any time. The Operator must be able to assess potentially unsafe working situations and to follow safe working procedures. Operators must operate all vehicles and equipment safely, maintain awareness of traffic and other workers, and handle all emergencies quickly and safely. This position is considered a safety sensitive position. Marginal functions of the position that are incidental to the performance of fundamental position duties have been excluded from position description.

| | Percentage of Time | Strength Code |
|---|--------------------|---------------|
| 1. Safety sensitive job duties of the Operator include but are not limited to, using equipment including end loaders, backhoes, dump trucks with sanders, motor graders, roadside mowers, oil distributors, and power tools. <ul style="list-style-type: none"> • Operates motor grader to maintain the road surface at grade specifications. • Operates motor grader with snow wing and V-plow to remove snow from roadways and shoulders or designated areas as needed. • Mounts blade(s), snow removal or other apparatus on motor graders, trucks, or other equipment • Operates heavy tandem truck to spread materials, plow snow. • Able to respond to on call situations, reliable, and able to follow directions. | 50% | M |
| 2. Perform manual tasks, as an individual or part of a crew, including but not limited to: <ul style="list-style-type: none"> • Load and unload materials and supplies • Remove debris from the road or right of way (ditches). • Maintain buildings and grounds for use, including janitorial clean up, maintenance, and repairs. | 15% | H |
| 3. Perform routine maintenance on equipment and other service tasks such as: <ul style="list-style-type: none"> • Change and repair tires, replace blades. • Change oil, lubricants, and grease, replace lights, fuses, etc. • Maintain an accurate parts inventory, while recording the use of all parts, supplies, fuel, and oil using the appropriate forms. Assist with major mechanical tasks such as engine repair or overhaul, transmission repair or replacement and other repairs as requested by the Foreman or Shop Superintendent | 15% | H |
| 4. Communicate effectively, both verbally and in written form: <ul style="list-style-type: none"> • Road problems, safety concerns, ideas, concepts and other information to immediate supervisor, the County Engineer, or other appropriate Secondary Roads employee • Guide and orient less experienced operators in proper procedures and techniques. • Interact positively with public as a representative of the Department • Provide a safe work environment individually and for other employees | 10% | L |
| 5. Assist the Forman, County Engineer with compliance and fulfillment of FMCSA OSHA and EPA standards as they apply to the work environment | 5% | M |
| 6. Performs other work as assigned including safety meetings, organizational meetings, safety demonstrations and obtaining and using appropriate safety equipment per policies and procedures or other duties as requested by Foreman, Engineer, or other designated staff. | 5% | L |
