MINUTES FOR THE ZONING BOARD MEETING

The Zoning board met on November 24, 2025 at 7:00 PM in the Courtroom. In attendance were: Dean Gunderson, Jim Kuecker, Jim Neighbors, Larry Ruppert and Chuck Schany by phone.

Minutes of the last meeting were available to read. Motion by Jim N. to approve, second by Larry. Motion carried.

First item to discuss was the South Shore 6th Addition. Chuck explained the 13 lots and answered questions from the Board. Motion to approve the Subdivision was made by Jim K., second by Jim N. Motion carried.

Next item on the agenda was to discuss the proposed Battery Energy Storage System Ordinance. The Board had done much research about Battery Storage. Several points were made regarding set backs, protection for area human population, animal confinements, open grazing animals, lakes and waterways. These ideas and other changes will be made to the ordinance before holding a Public Meeting at a date to be determined in January.

The data is being collected for the update of the Comprhensive Plan. A public meeting will be scheduled after January.
